Nestled in the heart of the prestigious La Cala Golf Resort, just thirty minutes from Marbella, this contemporary villa on the golf course front line embodies the quintessence of modern Mediterranean luxury. Its bold architecture, with clean lines and generous volumes, opens up entirely to the surrounding nature thanks to large bay windows that flood each space with light.

Built on three levels, the property stands out for its refined atmosphere and perfect harmony between interior and exterior. Upon entering, the eye is drawn to the open view of the tropical garden and sparkling swimming pool, a true haven of serenity. The reception rooms flow into one another in a series of fluid spaces, where contemporary design and timeless elegance interact in perfect symbiosis.

The five en-suite bedrooms, each with its own private bathroom, offer absolute comfort and privacy. The noble materials, bespoke finishes and omnipresent light give the whole property a feeling of softness and perfection.

At the top, a spectacular rooftop terrace offers breathtaking panoramic views of the golf course, the Andalusian mountains and the distant horizon. A place suspended between heaven and earth, ideal for contemplating the sunsets of the Costa del Sol in a setting of rare elegance.

This exceptional villa masterfully combines design, comfort and art de vivre within an internationally renowned golf complex where luxury and tranquillity come together seamlessly. An insider's address, designed for those who seek excellence in every detail.
