The property is accessed via a private entrance that opens directly onto the terrace, leading seamlessly into the interior living spaces.

With lift access, the penthouse enjoys a truly open outlook, with panoramic views across both directions of the coastline, as well as over the marina, the fairways of La Duquesa Golf and the surrounding mountains.

The apartment has a total built area of 215 m², including 86 m² of terraces, creating generous indoor–outdoor living space with wide, open views.
