Overview: Casa Loma, Contemporary Townhouse with Rooftop Terrace in La Quinta

Welcome to Casa Loma, a refined and elegant townhouse located in the peaceful enclave of La Quinta Hills, nestled in the prestigious Benahavís area. Designed by the acclaimed AMMA Arquitectos, this property blends modern Scandinavian architecture with warm Mediterranean charm, offering a perfect harmony of natural light, space, and panoramic views of the sea and mountains.

Spread over two levels, the home offers 163 square meters of thoughtfully designed living space and 49 square meters of terraces. It features three spacious bedrooms, each with its own en-suite bathroom, plus an additional guest bathroom. The ground floor offers an open-plan layout that connects the kitchen, dining, and living areas, flowing seamlessly out to a private garden terrace, perfect for relaxed indoor-outdoor living.

Upstairs, each bedroom has direct access to private terraces with stunning views. The rooftop terrace is the highlight of the home, designed for entertaining or unwinding with a lounge area and barbecue, all set against the backdrop of breathtaking sea and mountain scenery.

The interiors are finished with natural materials like wood and stone, complemented by SMEG appliances and a minimalist, elegant design. The west-facing orientation fills the home with natural sunlight throughout the day and creates spectacular sunset moments in the evenings.

Casa Loma is part of a secure gated community, offering peace of mind with features such as double-glazed windows, security shutters, and resident only communal parking.

Situated just a short drive from a wide range of amenities, the location strikes the perfect balance between serenity and convenience. The beaches, top-rated schools, and shopping centers like La Cañada are all within easy reach. Golf lovers will appreciate being close to the Westin La Quinta Golf Resort & Spa, with its world-class courses, fine dining, and luxury wellness facilities.

The area is also known for its natural beauty and outdoor lifestyle, with hiking trails and green spaces all around. Whether you're looking for a full-time residence or a stylish holiday home, Casa Loma is a rare opportunity to enjoy elevated living in one of the Costa del Sol's most desirable locations.
