Overview: Large house in the centre of Cancelada with almost 4,000 m<sup>2</sup> of land around it. The house is separated into three apartments (with different deeds), a large basement, swimming pool and irrigated field, currently used for fruit trees. It is particularly interesting as a project for investors who would like to make it into a small aparthotel or apartments for rent, or for someone interested in renovating it and converting it into a ■single ■large ■villa ■with ■its ■own plot ■in the center ■of the town. ■The ■plot itself ■is ■very interesting ■to ■build on and ■highly ■profitable ■due ■to ■its ■location.
