[redacted]:An exclusive development in the heart of the Golden Triangle of Marbella, Benahavís and Estepona. Elevated above the coastline, it offers breathtaking panoramic views of the Mediterranean and surrounding hills. The project features 21 contemporary 2 and 3 bedroom residences with generous interiors (95–186 m²) and expansive terraces. Selected ground-floor units and penthouses include private pools, while residents also enjoy a stylish communal pool, heated indoor pool, fully equipped gym and private golf simulator.

Designed with privacy, natural light and seamless indoor-outdoor living in mind, each home combines refined architecture with premium materials and floor-to-ceiling windows. A secure and tranquil setting just minutes from Puerto Banús, Marbella and world-class golf courses.
