[redacted]:Farmhouse located in an unparalleled location, it is the Strait Natural Park, a protected space that enjoys the best views of the African coast and the entire extension of the Strait of Gibraltar...The 450 sqm property is built on a 35,612 sqm plot. It consists of 7 large bedrooms and 6 bathrooms. The heating system of the house is by radiators (natural gas) and it is also equipped with 3 pleasant fireplaces. The garden that surrounds the house has porches from which you can enjoy the impressive views of the sea and has a large swimming pool. It has a storage room and laundry room. It has electricity and water supply as well as an independent well to guarantee its supply. What truly makes this property exceptional is its location, surrounded by lush, quiet surroundings and with views of the sea and the African coast that only a few privileged homes can enjoy. It is worth visiting.
